

MyPAT: Log a visit in less than a minute!

It's really important that you log every PAT visit. It helps us to:

- Have accurate figures of the impact of our PAT visits. These are vital when we apply for grants and funding.
- Keep a record of the number of people who get to meet your amazing pet.
- Assist quickly if you report an incident while on a PAT visit.

Please record every PAT visit!

1. Log in to your MyPAT account. In the 'Log a Visit' box, select the correct location and click **Next**.

Log a visit

Select a placement from those listed below, then select "Next" to log a visit.

* Which location would you like to log a visit for?

Watlington Day Centre

Log a visit

Select a placement from those listed below, then select "Next" to log a visit.

Location
Watlington Day Centre

* Date of visit

* Time of visit

How long was your visit?

* Hours * Minutes

* How many beneficiaries were present?

* How many staff members were present?

Please describe any highlights or standout moments

Notable incident details

* Did anything go wrong during your visit?

Yes No

[Back](#) [Submit](#)

2. Add the details of your visit and click Submit. All done!

Tip! * The red asterisks shows where you need to enter details. *

Tip! If you want to see **all logged visits**, click/tap on My Visits at the top of the page and scroll down to see 'Your Visiting History'. Click/tap on the Visit ID to see and edit visit details.

A BENEFICIARY is: Someone who you meet on a PAT visit and spend a couple of minutes with chatting and interacting. A quick interaction with someone in a corridor who quickly pats or strokes your PAT Pet does not count.

An INCIDENT is: Something untoward or something that went wrong during a PAT visit. This could include an accident or an injury to you, your PAT Pet or someone else on the visit.
