

## MyPAT: Taking a look around

MyPAT is your one stop shop for everything PAT related. Log in from our website to **find places** to visit, **pay** your annual contribution, and **read** your PAT handbook, policies and other information.

This blue banner at the top contains buttons to navigate to other parts of your MyPAT account.

**My Profile:** Your photo, contact details and letting us know if you are retiring from PAT.

**My Pets:** Your pet(s) info, photo, vaccination details and letting us know if your pet is retiring.

**My Visits:** Finding a place to visit (a placement), logging visits and closing a placement.

The screenshot shows the MyPAT website interface. At the top is a blue navigation banner with the MyPAT logo and buttons for Home, My Profile, My Pets, My Visits, and Logout. Below the banner, the user is greeted with 'Hi Roger!' and their PAT reference number. There are sections for 'Welcome to MyPAT' with instructions on logging in, and a 'Log a visit' section with a form to select a location. At the bottom, there are three buttons: PAT Shop, PAT Training Hub, and PAT Policies. Callout boxes provide detailed explanations for these features.
