# The gift of a lifetime

**Please help us to help future generations by leaving a gift in your Will.**

Sometimes the best therapy is simply spending time with a dog or cat and experiencing the amazing power of the human-animal bond. PAT visits are integral to the health and wellbeing of local communities across the UK. Any gift you leave will help us to make a difference to people's lives – for decades to come.

People of all ages benefit every week from PAT visits. Our volunteers take their pets to residential homes, hospitals, hospices, schools, day care centres, prisons and more.

**You're not obliged to leave a gift to Pets As Therapy if you use our free Will service, but we hope that once you've provided for those close to you, you'll consider including a gift to support our charity too.**

# A Will is important

**Writing a Will is the best way to ensure that the people and causes you care about are looked after.**

It's important to have a qualified solicitor take care of it for you.

By making your Will through our partner, the National Free Wills Network, you'll be connected with a qualified solicitor that's local to you. They'll help you to write or amend a simple Will for free.

If you are considering including a gift to Pets As Therapy, it may be helpful to think about the type of gift you may want to leave.

You could:

- 🐾 Leave a fixed sum of money (pecuniary)**
- 🐾 Leave a percentage of your estate after other beneficiaries are taken care of (residuary)**
- 🐾 Leave a particular item, such as property, antiques or shares (specific)**
